Holley Navarre Intermediate Family,

It is hard to believe that we have reached the end of another great school year! I want to sincerely thank all of the parents, teachers, staff, and community for your support in making this year such a positive experience for our students.

As we wrap up FSA and DEA testing this month, we also have many fun campus activities planned. Students will be decorating Mother's Day cakes (still on sale), signing year-books (still on sale), breaking a sweat during Field Day, and celebrating this year's accomplishments during individual classroom ceremonies! I hope we have many parents attend our upcoming parent workshop on May 17th.

Thank you again for your continuous support and I hope you and your family have a restful summer break. Please note that June 1st is the students' last school day with an 11:15 am dismissal. *Beth Mosley, Principal*

"Prevent Summer Brain Drain" Parent Workshop

May 17th, 7:30-9:00 am

You are invited to eat a muffin with your child, then attend a fun workshop to learn how to keep your child's brain active over the summer. Lots of online and community resources will be shared!

Door prizes of board games will be given out to parents who participate.
