March 2016

We are "Full S.T.E.A.M Ahead" at HNI!

What is S.T.E.A.M? It is an acronym for Science, Technology, Engineering, Arts, and Math education. We focus on these areas together because the skills and knowledge in each discipline are essential for student success, and because these fields are deeply intertwined in the real world which is how students learn most effectively.

HNI is hosting an exciting Family STEAM Night on Thursday, March 10th from 5:30-7:00pm. The Pensacola MESS Hall is partnering with us to have four STEAM stations. There will also be a robotics demonstration, coding on laptops and the ACES students will have a STEAM expo in the cafeteria. While you preview the STEAM expo booths, enjoy a slice of pie to celebrate Pi Day (3.14.16). This will be a fun-filled evening at HNI!

Please review the FSA dates noted in this newsletter. Good student attendance leading up to and during FSA testing is a must. Please ensure that your child is in school and on time each day. Our doors open at 7:00 am with the tardy bell ringing at 7:30. Thank you in advance for having your child in class prior to 7:30 to be settled and ready to learn. Please see the calendar of events on the back of this newsletter and note there will be no school March 18-25 for Spring Break.

PTO News

Boosterthon will be coming to HNI, March 7th! Our Boosterthon Fun Run is scheduled for Thursday, March 17th. Boosterthon is a great program that helps build positive character traits; gets students moving; and raises funds that will help purchase new laptops, iPads and technology for our school. Thank you for your support!

Thank you PTO!

PTO provided funds for the purchase of our new electronic marquee, located by parent pick-up! PTO will also be providing snacks for our students and staff during FSA testing; will help with decorating for our STEAM night; and is taking the lead on Boosterthon coming to HNI. Thanks for all you do to make HNI the best school to learn and grow!
