September 2016

We are now finished with our second week of school and are happy to report that the start of this school year has been outstanding! Parents, thank you for being patient the first few days of school with the expected delays in getting our bus-riders home and with parent pick-up. Students are getting comfortable with dismissal procedures and we will continue to work diligently to get students home in a safe and timely manner.

HNI encourages our students to be Heroes. Students will be recognized in the classroom and on ITV for demonstrating positive hero traits. Our focus hero trait this month is "Eager to Learn." We are encouraging our students to be on time, prepared, and have a growth mindset for learning! Thank you for taking the time to read this monthly newsletter with important information about upcoming events at our school.

SCHOOL IMPROVEMENT PLAN & SPAR REPORT

We are developing our School Improvement Plan for the 2016-2017 school year. We are setting goals based on student performance on the Spring 2016 FSA test, DEA data, and from results of the parent, student, and employee surveys administered during the Spring. SPAR (School Public Accountability Report) results are available for parents or the public to view by going to our school website at <https://www.santarosa.k12.fl.us/schools/hni.html>. We also have a copy of last year's SPAR and School Improvement Plan in our Parent Resource Center by the Front Office.
